Bellevue, NE, September 18, 2018 – ConvergenceCoaching®, LLC, a national leadership and management consulting firm that serves the public accounting profession, has announced the 2017-18 Fall Transformational Leadership Program™ (TLP) graduating class!

“Leading our the TLP participants in their leadership journey this past year is some of the most rewarding work we do at ConvergenceCoaching,” commented Tamera Loerzel, Partner at ConvergenceCoaching. “These TLP participants courageously developed new skills and behaviors to take their leadership to the next level, allowing them to take on new roles and responsibilities in their firms. Congratulations to the graduates who completed the Fall 2017-18 program!”

“I realized from my leadership assessments at the beginning of the Transformational Leadership Program (TLP) that I wasn’t always the most approachable leader,” commented Shannon McCain, Senior Manager at HoganTaylor, LLP. “So, in my TLP journey, I set out to become the kind of leader that people say, “Yay! I get to work on a project with Shannon!” The TLP has helped me enhance my communications and approach to others to move closer to the inspiring leader I aspire to be.”
